SPRING 2018

GARBAGE UPDATE:

A negotiated garbage rate was set up with Lakes Garbage Disposal back at the beginning of October of 2017.

Unfortunately the negotiated garbage rate is no longer available to our community.

When speaking with the representative from Lakes they did advise me that their current pricing for regular customers is \$75/ quarter and anyone is eligible to take advantage of this rate which is only \$9 more than the discounted pricing that was offered and is one of, if not the lowest in the area.

Lakes Disposal Services (847) 366-8582, (815) 675-0400.

Thank you,
Christy Plotz
